

**VESA 200, 300 and 400 ceiling mount,
length 500 mm**

VESA 200, 300 and 400 ceiling mount with pivot,
length 500 mm.

An elegant solution for installing flat panels with VESA 200,
300 and 400 to the ceiling.

The minimalistic designed ceiling mount hides all needed
cables through the tube. With the new ball-joint the screen
is easy to aim towards the viewer.

- ▲ **A minimalistic design**
- ▲ **Excellent cable management**
- ▲ **Available in several lengths**

Audipack®

It's great to have solutions...
