Telescopic lift system for a 70 inch flat panel.

Slim telescopic lift system suitable for bringing a flat panel into viewing position. With a simple press on a button the lift silently raises from the furniture. Standard supplied with mounting materials.

The universal flat panel mount is adjustable in height along the columns and provides an easy and simple flat panel installation.

▲ **For screens up to 72 inch**
▲ **Extra rigid, suited for touch screens**
▲ **Incl mounting material for the hinged cabinet panel**
▲ **Easy installation**
