

One of the best dividable floor stand for flat panels up to 85 Kg. No tools needed for assembling. The perfect rental product.

Flat panel floor stand for rental purposes. The quick release feature allows you to install the floor stand and screen on any location without tools.

The floor stand consists of two vertical columns, each with front and back covers. Each column has 3 separate cable passages allowing a separate passage of power, audio and data cables.

The presentation height of the flat panel is adjustable. This floor stand is suitable for flat panels with a maximum screen size of 65 inch, in landscape or portrait orientation.

- ▲ **No tools required for installation**
- ▲ **Integrated ruler for screen height positioning**
- ▲ **3 separate cable channels per column**
- ▲ **Suitable for all brands of flat panels**
- ▲ **Landscape and portrait orientation of the screen**
