

Audipack®

It's great to have solutions...

FACT SHEET

FPB flat panel presentation board

Benefits

- ▲ **Quick installation**
- ▲ **Invisible storage of equipment**
- ▲ **Good access to equipment behind the screen**
- ▲ **Build-in passive 2-way audio (optional)**

The perfect all-in-one presentation solutions for equipment and screens up to 65 inch.

The FPB is a quick install wall mounted accessory to provide a compact and neatly organized presentation product for screens, audio and camera.

For small sized presentation solutions the FPB allows an easy installation. Just install the finishing board on the wall, the equipment in the monitor bracket and install the screen and camera.

Depending on the thickness of the extra equipment behind the screen, the screen distance to the panel can be adapted. The FPB is standard equipped with space for an audio option and space for installing a VC camera.

The FPB board is standard available in white, other colours or veneer are on request available.

Service application

Standard storage cabinet
