It's great to have solutions...

FACT SHEET

CTF-ATLAS-XL

Permanent presentation solution with integrated audio.

The CTF-Atlas-XL is a unique ceiling to floor solution for your flat panel up to 100 inch.

The vertical column of the CTF-Atlas-XL is equipped with a 2 x 30 watt speaker.

A LED screen can be installed with the L&S5 mounting interface and with an equipment holder EC-1 or EC-1AC (optional) a Mac mini, mini PC or Barco Click- Share mini can be applied.

The CTF- ATLAS-XL is manufactured to order and custom-made to the desired ceiling height.

- ▲ **Easy equipment installation**
- ▲ **Landscape flat panel positioning**
- ▲ **Integrated passive audio**
- ▲ **Custom models available**
- ▲ **Available in black or white**

Built-in speakers

Optional equipment holder EC-1 or EC-1AC (incl. 3-fold power strip F, CEE 7/4)
