Audipack®
It's great to have solutions...

## The compact light weight projector lift with a max. lift capacity of 10 Kg.

The PCL-X350 ceiling lift is part of Audipack's broad range of projector ceiling lifts.

This range features various models, so choosing the best suited model is easy. With an Audipack ceiling lift, the projector is mounted out of sight over the suspended ceiling and can be positioned for presentations.

The PCL-X350 range is standard equipped with an advanced integrated motorboard having RS-232 connection and is able to programm 4 different projector positions.
Conform Audipack's philosophy, the lift is highly reliable, accurate and durable. The PCL-X350 ceiling lift is delivered including a ceiling finishing mask for the suspended ceiling.

▲ **Reliable**
▲ **Durable**
▲ **Very silent lift system**
▲ **Low maintenance**
▲ **TüV certified**
