It's great to have solutions...

FACT SHEET

FSW-T160B

For large screens at school, training rooms and board rooms, Audipack offers the FSW-T160B trolley. This trolley can be used for touch screens up to 90" with a weight of 150 Kg. Many types of tv's, monitors and touchscreens can be fitted directly to the trolley with its various VESA mounting patterns. The height can be easily adjusted by a simple push on a button. The solid construction offers stability, safety and good value for money.

- ▲ **Low noise mechanism**
- ▲ **Very solid system**
- ▲ **Easy installation**
- ▲ **Including wired hand control**
