It's great to have solutions...

Projector **Pop up** lift systems

for your **convenience**

Why not integrate your projector into the table and lift it from below when needed?

A projector is essential in any conference table boardroom or home cinema. However it's not always in use and can get in the way, or be tempting to steal, when not needed.

Audipack projector Pop Up lift systems are the easy to install solution for this problem. They are available in three different sizes and are fully positioning.

To control the system other than relays contact, please select from the below list.
